ASSOCIATION

Only \$125 for Sysco customers

Presents...

\$150 for non-customers

Advanced Food Safety Certification Course

- Reduce the risk of health code violations that can result in fines or closure
• Protect your customers from foodborne illness
• Extend your next Food Worker Card out to five years
• A great way to show compliance with the Demonstration Of Knowledge required of the Person In Charge!

ServSafe, developed by the National Restaurant Association Educational Foundation, trains foodservice workers in food safety and sanitation, the HACCP system, pest control and effective employee management.

This is a review style class; PRE-STUDY IS MANDATORY.
